

Let Me Go
Hailee Steinfeld

[Intro] Am G D Em

Am G D Em
You made plans and I, I made problems

Am G
We were sleeping back to back

D Em
We know this thing wasn't built to last and

Am G D Em
Good on paper, picture perfect

Am G
Chased the high too far, too fast

D Em
Picket white fence, but we paint it black

Am G D Em
Ooh, and I wished you had hurt me harder than I hurt you

Am G D
Ooh, and I wish you wouldn't wait for me but you always do

C G D Em C G D
I've been hoping somebody loves you in the ways I couldn't

Em C G D
Somebody's taking care of all of the mess I've made

Em C G D
Someone you don't have to change, I've been hoping

Em C G D Em C G D
Someone will love you, let me go

Em C G D Em
Someone will love you, let me go

C G D

Am G D Em
It's been some time, but this time ain't even

Am G
I can leave it in the past

D Em
But you're holding on to what you never had
