

## Falling

HAIM

**Dm** **F** **Am** **C**  
I give a little into the moment like I m standing at the edge (I know)  
**F** **Dm**  
That no one s gonna turn me round  
**G** **C/F#**  
Just one more step, I could let go  
**Dm**  
Oh and in the middle,  
**F** **Am** **C**  
I hear the voices and they re calling for me now (I know)  
**F** **Dm**  
And nothing s gonna wake me now  
**G** **G**  
Cause I m a slave to the sound  
  
And they re calling,  
**F**  
Don t stop, no, I ll never give up  
**Am**  
And I ll never look back, just hold your head up  
**C** **F**  
And if it gets rough, it s time to get rough  
  
They keep saying  
**F**  
Don t stop, no one s ever enough  
**Am**  
I ll never look back, never give up  
**G** **G**  
And if it gets rough, it s time to get rough  
  
**Dm**  
But now I m falling, falling, falling  
**Am**  
Falling, falling, falling,  
**G** **G**  
Falling, falling, falling, falling, oh  
  
**Dm** **F**  
I look up and down,  
**Am** **C**  
And I can feel the eyes, they re watching us so closely oh  
**F** **Dm**  
I m trying not to make a sound  
**G** **G**  
Cause I ll be found out somehow

**F**

Don't stop, no, I'll never give up

**Am**

And I'll never look back, just hold your head up

**C**

And if it gets rough, it's time to get rough

**F**

They keep saying

**F**

Don't stop, no one's ever enough

**Am**

I'll never look back, never give up

**G**

And if it gets rough, it's time to get rough

**G**

**Dm**

**Am**

Into the fire feeling higher than the truth

(I'm falling)

**G**

I can feel the heat but I'm not burning

(But now I'm falling)

**Dm**

**Am**

Feeling desire, feel the tyre on the tooth?

(I'm falling)

**G**

Feels like I'm falling, yeah

I can hear them calling

(I'm falling)

**Dm**

**Am**

Into the fire feeling higher than the truth

(I'm falling)

**G**

I can feel the heat but I'm not burning

(But now I'm falling)

**Dm**

**Am**

Feeling desire, feel the tyre on the tooth?

(I'm falling)

**G**

Feels like I'm falling, yeah

I can hear them calling

(I'm falling)

**Dm**

But now I m falling, falling, falling

**Am**

Falling, falling, falling,

**G**

**G**

Falling, falling, falling, falling, oh

**Dm**

But now I m falling, falling, falling

**Am**

Falling, falling, falling,

**G**

**G**

Falling, falling, falling, falling, oh

**Dm**

But now I m falling, falling, falling

**Am**

Falling, falling, falling,

**G**

**G**

Falling, falling, falling, falling, oh

**Dm**

**Am**

Into the fire feeling higher than the truth

(I m falling)

**G**

I can feel the heat but I m not burning

(But now I m falling)

**Dm**

**Am**

Feeling desire, feel the tyre on the tooth?

(I m falling)

**G**

Feels like I m falling, yeah

I can hear them calling

(I m falling)

**Dm**

**Am**

Into the fire feeling higher than the truth

(I m falling)

**G**

I can feel the heat but I m not burning

(But now I m falling)

**Dm**

**Am**

Feeling desire, feel the tyre on the tooth?

(I m falling)

**G**

Feels like I m falling, yeah

I can hear them calling

(I m falling)

Never look back, never give up

Never look back, never give up

Never look back, never give up

I ll never give up

I ll never give up
