

Falling

HAIM

F#m **A** **C#m** **E**
I give a little into the moment like I m standing at the edge (I know)

A **F#m**
That no one s gonna turn me round

B **E/F#**
Just one more step, I could let go

F#m
Oh and in the middle,

A **C#m** **E**
I hear the voices and they re calling for me now (I know)

A **F#m**
And nothing s gonna wake me now

B **B**
Cause I m a slave to the sound

And they re calling,
A
Don t stop, no, I ll never give up

C#m
And I ll never look back, just hold your head up

E **A**
And if it gets rough, it s time to get rough

They keep saying
A
Don t stop, no one s ever enough

C#m
I ll never look back, never give up

B **B**
And if it gets rough, it s time to get rough

F#m
But now I m falling, falling, falling

C#m
Falling, falling, falling,

B **B**
Falling, falling, falling, falling, oh

F#m **A**
I look up and down,

C#m **E**
And I can feel the eyes, they re watching us so closely oh

A **F#m**
I m trying not to make a sound

B **B**
Cause I ll be found out somehow

A

Don't stop, no, I'll never give up

C#m

And I'll never look back, just hold your head up

E

Into the fire feeling higher than the truth

I can feel the heat but I'm not burning

(But now I'm falling)

C#m

Feeling desire, feel the tyre on the tooth?

(I'm falling)

Feels like I'm falling, yeah

I can hear them calling

(I'm falling)

Into the fire feeling higher than the truth
