G F#m G
Go slow so that I can hear everything you re sayin.

G F#m G
Now I know you re goin. You just threw this away.

G F#m G
You know i ain t gonna take it. (Go Slow)

G
But we ain t gonna make it (I know)

F#m G
I can t make you stay.

G
But I ll be hurtin from the heat.

G
Well, well, well was it something that I said.

A F#m
I know that it was something I said.

G
From your heat now.

G
I m going crazy trying hard to forget.

A F#m
You know I m trying to hard forget.

G
From your heat now.

G A F#m G

Oh I just wanna go back hold on to the way that I was

G A

Cuz you took away all my young life.

F#m

G

G A F#m G

And I hate who I've become from your heat now.

G

A F#m G

From your heat it's comin', comin'.

2ª Parte:

G F#m

G

I know I'm giving in and believing every lie

G

F#m

G

For now the moon is night, I turn off the light

G

F#m G

And you should get the foundation (go slow now)

G

With your intimidation (I know)

F#m

G

Oh, when you turn away now I'll be hurting from the heat.
