Tuning: Standard

Guitar doesn't come in much until the 2nd chorus but I wrote chords anyway.  
Lyrics corrections are greatly appreciated.

\*By D5 I mean a D power chord, aka x577xx

[VERSE]

**Gm**

Get me out, give me in

I gave you everything I could give

You tried to take it, you tried to make it

But take on everything you can't break

**D5**

If you go so easily

Go on, get out and when you leave

**Gm**

I will wait, I will want

Wait til the day you're back again

Let me out, let me in

I've given up, not given in

Cause together we are not one

We are nothing, we're holding on and on

**D5**

Together now, forever then

Go ahead, don't you let me in

**Gm**

But I will wait, I will want

Wait til the day you're back again

[CHORUS]

**Bb**

Let me go

You know I m not one for leaving
