I gave you everything I could give

You tried to take it, you tried to make it

But take on everything you can t break

If you go so easily

Go on, get out and when you leave
F#m
I will wait, I will want

Wait til the day you re back again

Let me out, let me in

I ve given up, not given in

 Cause together we are not one

We are nothing, we re holding on and on
