

The Wire

HAIM

C# (Intro)

C#

You know I m bad at communication, it s the hardest thing for me to do
And it s said, it s the most important part that relationships will go through

G#

F#

And I d give it all away just so I could say that

C#

I know I know I know I know that you re gonna be okay OK anyway

C#

You know there s no rhyme or reason for the way you turned out to be
I didn t go and try to change your mind, not intentionally

G#

F#

I know it s hard to hear me say it but I can t bear to stay and

C#

I just know I know I know I know that you re gonna be OK anyway

C#

G#

Always keep your heart locked tight, don t let your mind retire, oh

F#

C#

But I just couldn t take it, I tried hard not to fake it

Bbm

G#

But I fumbled and when I came down to the wire

F#

C#

It felt right, it felt right, oh

Bbm

G#

But I fumbled and when I came down to the wire

F#

C#

It felt right, it felt right, oh

Bbm

G#

But I fumbled and when I came down to the wire

C#

Does your imagination try to make you what you wanted to be
Because I m sorry I do what I did, but it came naturally

G#

F#

So I gave it all away just so I could say that

C#

Well I know I know I know I know that you re gonna be OK anyway

C#

Well I try to keep myself together, after all the opportunities
I try to stay true to you and try to do what you wanted for me

G#

F#

And I d give it all away just to hear you say that

C#

Well I know I know I know I know that you re gonna be OK anyway
