HEARTS ARE GONNA ROLL (Hal Ketchum)

[Actually in either E or F; I play it in D and capo up 2 or 3.
If you know which key it s really in, please let me know.]
[Each chord is half a measure, except G - D is half a measure total.]
[The triplets in the bridge and ending are D-A-D-G-F#-D (notes, not chords).]

D G C G
[intro; repeat a few times]

D G C G D G C G
Ever since she was a baby, settin on her daddy s knee
D G C G D G C G
Had him wrapped around her finger, doing anything she pleased

A A A G - D A A A G - D
She had a way of getting what she wanted; Daddy knew in his mind
A A A G - D A A A A
Pretty soon the boys would come running; it s just a matter of time

D G C G D G C G

Now she changes like the weather, never stays in love too long
She ll take you to the limit just to leave you hanging on

Drop-dead looks and a mind for trouble, that s all the girl s ever known
Leaving behind a path of destruction, no matter where she goes

Hearts are gonna roll, heads are gonna turn
Tears are gonna fall, a bridge is gonna burn
Hearts are gonna roll, hearts are gonna roll

Don t fall under the spell of her eyes, boy, she s not looking in you [trip.]

Take it from somebody who knows: she s moving right on through

And hearts are gonna roll, heads are gonna turn

Tears are gonna fall, a bridge is gonna burn

Hearts are gonna roll, hearts are gonna roll
