I Know Where Love Lives (Hal Ketchum)
=====

A D E A
Love don t hang out in a grand hotel
D E A
Got no satin sheets, got no servant s bell
D E A
Ain t in Bel Air on some big old yacht
D E A
Ain t in a beach house on Monserrat

There s a house on the edge of town
It s a little old, it s a little run down
Full of laughter and tears and toys
Crazy things only love enjoys

D A
I know where love lives
Bm D F#m
I know where love lives
D E A
She s sitting on the back step in the evening air
D E A

With sea green eyes and her chestnut hair

Bm **D** **F#m**

You keep your mansions of gold, buddy,

D

I don't care

A

Cause I know where love lives

You keep all that your fortune brings

All your fancy words, all your precious things

No matter what all your money buys

It's in the arms of love

That true treasure lies

I know where love lives

I know where love lives

She's sitting on the back step in the evening air

With sea green eyes and her chestnut hair

You keep your mansions of gold, buddy,

I don't care

Cause I know where love lives

I know where love lives

Keep your mansions of gold

Keep your mansions of gold

A... D... A... A... D...
