

[Chorus]

**A**

But I do

**D**

**A**

And I wonder if I'm past the point of rescue

**D**

**A**

Is no word from you at all

**F#m**

**E**

The best that you can do

**E**

I never meant to push or shove you

**F#m**

Do you know how much I love you

**E**

**B**

No you don't, but I do

**F#m E B F#m**

[Verse 3]

**F#m**

**E**

I swore I'd never fall like this again

**D**

**A**

**E**

**F#m**

Fools like me never win, came to my knees again

**F#m**

**E**

Can't close the door on the likelihood

**D**

**A**

**E**

**F#m**

Things might be just as good, always believed they would

**E**

Got to let your love invite me

**F#m**

Baby do you think it might be

**E**

**B**

**F#m**

No you don't, but I do

(REPEAT CHORUS TWICE)

**E**

**F#m**

Ah, no you don't, but I do

**E**

**F#m**

Ah, no you don't, but I do

**F#m E B F#m** (repeat to fade)
