

**D** **A**  
You are the only one  
**Bm**  
The only to sees me  
**G**  
That trusts me and believes me  
**D** **A**  
You are the only one  
**Bm**  
The only one that knows me  
**G**  
And in the dark you show me  
**A** **G**  
It s perfectly reckless  
**A** **G**  
Damn you leave me defenseless

And when the lights come on

You re still inside me

**D** **A**  
You are the only one

You are the only one  
**Bm**  
The only one that knows me
