

In Your Room
Halestorm

The whole song s only 3 chords... **E**, **A**, and **B**

[Intro] **E**

A

Let me in your room

B

I ve seen the rest of you

E

A

But I know there s something more in your room

B

I m right outside your door

E

A (once)

Show me things you ve never shown before

A

A few pictures from your past

B

And the walls you painted black

E

A

And the secrets that you keep under your bed

B (hold)

E

All you have to do is let me in your room

A

You can be yourself

B

E

You don t have to hide from me I won t tell

A

I know everyone you ve ever trusted has let you down

B

And you don t want to come out

(pause)

And show me, show me

A

A few pictures from your past

B

And the walls you painted black

E

A

And the secrets that you keep under your bed

B

E

All you have to do is let me in your room

A

You know every part of me

B

I let you in, I let you see

E

A

E

All the dark and every color of my room

B

Let me do that for you

A

And tell me all about your past

B

Why you painted those walls black

E

A

Baby it s all right you re safe in here with me

B

Open up so I can see

A

A few pictures from your past

B

And the walls you painted black

E

A

And the secrets that you keep under your bed

A

An open letter from your dad

B

A poster of your favorite band

E

A

It don t matter I ll take every part of you

B

E

All you have to do is let me in your room

A

Let me in your room

End on **E**
