Tell Me Where It Hurts

This one is pretty straightforward. During the Solo, rhythm guitar plays the Intro part.
Also I m not too sure about the G in the Pre-Chorus, but I think it works.
Enjoy

Half Step Down

[Intro]

Hey did you know I m the spider and your the fly
Hey did you know you got your eyes on a suicide prize
With a flick of my wrist I ll twist your worlds around
think you re the ace but whose got the upper hand now

Come on and give it to me
Take you to give it to me
Give it your best shot
My love is black and blue
Come on and give it to me
Take you to give it to me
Give it your best shot
Give it your best shot

Tell me where it hurts
(Tell me when you hurt)
Cry baby, cry
Cry baby for me
Tell me where it hurts
(Tell me when you hurt)
Cry baby, cry
Cry baby for me

[Solo]

Come on and give it to me
Take you to give it to me
Give it your best shot
My love is black and blue
Come on and give it to me

Take you to give it to me
Give it your best shot
Give it your best shot

Tell me where it hurts
(Tell me when you hurt)
Cry baby, cry
Cry baby for me
Tell me where it hurts
(Tell me when you hurt)
Cry baby, cry
Cry baby for me, yeah

Cry baby for me
