Intro: **Em** (D) (C) **C** (D) (**Em**) D B

Em
I know everything about you
C
Ever since we were kids
D
We never kept secrets
B
But there s something that you missed
Em **C**
Came up on North Push Street, in between the winter days
D **B**
Ain t it funny how some things get lost along the way

[Pre-Chorus:]

C **D** **B** **Em**
Just when you thought you got it all so figured out

[Chorus:]

C
What you don t know could hurt you
D **B**
What you don t know could save your life
Em **C**
What you don t know has been right here
D **B**
If you just open up your eyes
C **D**
You don t have to believe everything you re told
B **Em**
Cause to me all your scars are beautiful
C **D** **B**
What you don t know could hurt you. what you don t know

[Verse 2:]

I know she tore your heart out
Went and threw it on the floor
Don t mean that you re worthless
To me you re something more

Trying to get to your attention
It s like water into wine
Guess ignorance is bliss
And even broken love is blind

[Pre-Chorus:]

[Chorus:]

[Bridge:]

Em **C**
I can t sleep at night
D **B**
Wish you were next to me, more than a friend to me
Em **C**
Can t keep this inside
D **B**
I need to find a way to tell you everything
Em
Everything that you don t know

[Chorus: begins within bridge]

C
[?] could hurt you
D **B**
What you don t know could save your life
Em **C**
What you don t know has been right here
D **B**
If you just open up your eyes
C **D**
You don t have to believe everything you re told
B **Em**
Cause to me you re so damn beautiful
C **D** **B** **Em**
What you don t know could hurt you, what you don t know

[Outro:]

C
Can hurt you
D **B**
What you don t know can save your life
