LEnfer CEst Les Autres by Half Man Half Biscuit

Intro and main parts of verse:

```
      D    G    E7  A7
|---3---1---2---1---|
|---1---1---1---0---|
|---0---2---2---0---|
|---2---3---0---0---|
|---3---3---0---2---|
|-----1-----3---|
```

Bridge parts:

```
      F#    G    Eb7 A7
|---0---1---4---3---|
|---0---1---6---3---|
|---1---2---4---4---|
|---2---3---6---3---|
|---2---3---4---5---|
|---0---1-----3---|
```

And that is all you need!

The C sounds more correct with the 1st string fretted, but it still sounds ok if

left open and is a whole lot easier!
