(Intro: D A D A Bm G D A D A)

D A D A
If I had agoraphobia, and if I had claustrophobia

Bm G D A D A
Trapped inside my porch - things would be bleak, especially midweek.

D A
Your weird dreams don't impress in any way;

D A
In dreams weird things are mundane and everyday

Bm G D A D A
Strange to me would be buying a loaf and coming straight home.

Bm
Try and get your arse downtown next week

G A
I'm gonna prove once and for all to the LTA, hey hey hey.

Bm
That Tim and Greg are not golden boys they are in fact automatons

G A
I've seen the chips and wires and the circuit boards.

D A
The reservoirs are colder and deeper than you think

D A
Well stop, wait a minute Mr Spokesman you don't know what I think

Bm G D
Is your lake about - now let's see -

A D A D A D A
A hundred miles deep and ninety below and is it home to sharks?

Bm G
It's gonna end up with the storming of a brothel in Palermo

D A D A D
Sniffer dogs in fluorescent bibs.

A D A D A
I've seen the chips and wires; I've seen the circuit boards

D A D
I've seen the chips and wires; I've seen the circuit boards

A
This is me pleading for some civic pride;

D A
Use it or lose it - the Park & Ride

D A
Twin town said we just weren't cool

D A
So now we got a suicide pact with Goole.

D A
I've seen the circuit boards

D A D
I've seen the chips and wires; I've seen the circuit boards. (fade)
