

Full Circle

Half Moon Run

Hey guys, first try at a tab/chords for the site, so don't mind if it's confusing.

I just thought that this song is amazing and spent an afternoon trying to figure out the chords used here, since nobody posted them online.

So basically, you need to finger pick the chords the whole song. I pretty much found the pattern, so here it is for the first chord :

```
e|-----0-----|
B|-----3-----3-----|
G|---2-----2---|
D|--3--3--3--3---3--|
A|-1--1--1--1--1-1---|
E|-----|
```

(4th time of the intro is played like this)

```
e|-----0-----|
B|-----3--3-----|
G|---2-----2--3---|
D|--3-----2--2---|
A|-1--1---1-1-1--1---|
E|-----|
```

Here are the chords

Verse				Chorus (same for the bridge)		
A#maj7	Am	G	F/A?	Dm	Fmaj7	C
e -0-----0-----0-----0-----1-----0-----0-						
B -3-----1-----3-----3-----3-----1-----1-						
G -2-----2-----3-----2-----2-----2-----0-						
D -3-----2-----0-----3-----0-----3-----2-						
A -1-----0-----x-----0-----3-----3-						
E -----3-----						

So here it goes, I hope you get the picking.
