Forever For You  
Daryl Hall & John Oates  
Chords & Lyrics by Clarence Choong

-Verse 1-

**D** **E** **F#m**  
Does anyone know what love can cost  
**D** **E** **F#m**  
It ll take you so high then leave you lost  
**E**  
Is it a mystery  
**D**  
that runs too deep  
**E**  
for such a simple heart  
**D** **E** **F#m**  
Can anyone stop the hands of time  
**D** **E** **F#m**  
and put back the loving in your eyes  
**E** **D**  
Though it s his name I hear when you are sleeping  
**E**  
I ll pretend it s mine

-Chorus-

**A** **E**  
When they ask me how long I m gonna love you  
**F#m** **E**

I ll say forever  
**D** **E** **A**

I ll say forever

**D** **E** **A**  
I ll say Forever For You
