

Goodnight And Goodmorning
Hall & Oates

D **Em**
Funny how the times can change as fast as we can run
D **Em**
Sad to say we had to part when the fun had just begun
Am7
Now the night is over
Bm **Em**
And I m waiting for the day we can be together
A **D** **G**
And we can say
D **G**
goodnight and goodmorning
D **G**
From the dark to the dawning

I can t believe that I m in love and you re the one
I can hear a song of love and our song has just begun
When the music s over and we finally walk away
We can walk together
And we can say goodnight and goodmorning
From the dark to the dawning
