Intro: **A A9 A DM7** 2x

A9 **A**
Don t wanna open your heart
A9 **A**
You re afraid from the start

That a new love s gonna get you down,
A9 **A**
There was something you should know
A9 **A**
Before you give up and go
DM7 **Bm7**
I don t believe in a run-around
C#m7
I just wanted to find myself
DM7 **C#m7** **Bm7**
And show you how I feel.

Chorus:

DM7 **E**
If a promise ain t enough
A9 **A** 2x
Then a touch says everything
DM7 **E**
Gotta hold you in my arms
A9 **A** 2x
Do you feel what I mean
DM7 **E**
Know that my heart just tells me what to say
C#m7 **F#m**
But words can only prove so much
DM7 **E**
If a promise ain t enough
A
Hold on to my love.

A9 **A**
Though my words can t describe
A9 **A**
How I m feelin all inside,
DM7
Does my touch say anything to you,

A9 **A**
I m not afraid to take time
A9 **A**
Cause I know you ll find,
DM7 **Bm7**
That I m real and my touch is true,
C#m7
It s taken a lifetime to find my heart
DM7 **C#m7** **Bm7**
And I give it all to you.
