Note: This isn t exact, there are a few sevenths/ninths left out and such, as most know bands like to jazz up their chord progressions if at all possible. This is how I play it out at gigs, this also works fine if you play it with the recording...enjoy.

Also, I didn t bother to line the chord changes up with the words so you ll just have to hear the rhythm, if you can t do that well...I ll shutup.

[Chorus]

**F** **C**  
You re a rich girl and you ve gone too far  
**Dm** **Dm/C**  
Cause you know it don t matter anyway  
**Bb** **F/A**  
You can rely on the old man s money  
**Gm7** **Bb** **C**  
You can rely on the old man s money

**F** **C**  
It s a bitch girl but it s gone too far  
**Dm** **Dm/C**  
Cause you know it don t matter anyway  
**Bb** **F/A**  
Say money but it won t get you too far,  
**Gm7** **Bb** **C**
