Intro: **Amaj7/G6**

Verse:

**Amaj9**                      **Cmaj7**  
Say it isn't so painful to tell me that you're dissatisfied.

**Amaj9**                      **Cmaj7**  
Last time I asked you I really got a lame excuse. I know  
that you lied.

**Dmaj7**                      **Bm**  
Now wicked things can happen...you see 'em goin' down in  
war.

**Em7**                      **A7sus**                      **A9**  
But when you play in a quiet way that bites it even more.

**Amaj9**                      **Cmaj7**  
Tell me what you want yeah I'll do it baby I promise right now.

**Amaj7**                      **Cmaj7**  
Who propped you up when you were stopped low motivation had you on the ground.

**Dmaj7**                      **Bm**  
I know your first reaction you slide away hide away goodbye.

**Em**                      **A7sus**  
But if there's a doubt maybe I can give out a thousand

**A9**                      **DM**  
reasons why you have to say it isn't so...

Chorus:

**Bm**                      Em7b5                      **A7**  
(it isn't so). Say it isn't so (it isn't so).

**DM**    **Bm**                      Em7b5  
Now say it isn't so (it isn't so). Say it isn't so (it isn't

**A7**  
so.)

The next verse and chorus have the same chord changes.

Lyrics as follows:

We like to be the strangers at the party, two rebels in a shell.

You like to move with the best of them you know we move so well.

Don't need someone to lean on. I know that there's an open door.

But if I'm faced with being replaced I want you even more so baby say it isn't  
so...

Chorus

Bridge: Switches between Amaj7 and G6 for three bars.

**Bm7/A**

Why you gonna go do you hafta say you wanna go ooh ooh baby say it isn't...

Chorus: **D/Bm/Em7b5/A7**

Vocal ad lib, repeat until fade.
