Intro

C, F, G, F, C, G

Verse 1

C
You, you were lying in my bed

C **F**
And I told you it was over

F
It was over

C
And then

C
I went away

And told me to

F
Give up on you

F
To give up on you

Prechorus

G
You said maybe

F
You don t have to go, baby

C
You know that I m sorry

G
And I know that you want me

Chorus

C
You said baby, baby, baby

C
Won t you sleep with me tonight

F

I know just what you re feeling

F

And I m needing you tonight

C

Baby, baby, baby

C

Won t you sleep with me tonight

F

I know just what you re feeling

F

And it s cold outside

G

Baby

F

You don t have to go crazy

C

Our future is so bright

G

It s gonna be all right

Verse 2

C

You, you were singing me a song

C

F

And you promised me love and kindness

F

Until there was silence

C

And then

C

When you whispered my name

F

F

I knew that it was different, it was

No coincidence

Prechorus 2

G

I was broken

F

Shackled and hopeless

C

And whatever I did

G

I knew it was, it was s***t

Chorus

C

You said baby, baby, baby

C

Won t you sleep with me tonight

F

I know just what you re feeling

F

And I m needing you tonight

C

Baby, baby, baby

C

Won t you sleep with me tonight

F

I know just what you re feeling

F

And it s cold outside

G

Baby

F

You don t have to go crazy

C

Our future is so bright

G

It s gonna be all right

Guitar Solo (whole progression of the chorus one time)

Chorus

C

Baby, baby, baby

C

Won t you sleep with me tonight

F

I know just what you re feeling

F

And I m needing you tonight

C

Baby, baby, baby

C

Won t you sleep with me tonight

F

I know just what you re feeling

F

And it s cold outside

G

Baby

F

You don t have to go crazy

C

Our future is so bright

G C

It s gonna be all right
