

G

I ve been playing somebody and it s helping nobody

Cmaj7

And her lipstick arithmetic didn t stick

Cmaj7

D

And now I m sick, throwing fits and yeah

Em

I ve seen you in my head every fuckin day since I left

G

You on the floor with your hands round your head

Cmaj7

And I m down and depressed, all I want is your head

Cmaj7

On my chest, touchin feet

[Refrão 1]

Em

G

I m eleven minutes away and I have missed you all day

Cmaj7

Cmaj7

I m eleven minutes away, so why aren t you here?

D

Em

G

You re eleven minutes away and I have missed you all day

Cmaj7

Cmaj7 D

You re eleven minutes away, so why aren t you here?

Em

G

Tell me what you need, I can make you more than what you are

Cmaj7

Cmaj7 D

Come and lay the roses on the floor, every single Sunday on your board

Em

G

I just want to freeze, I can give you more than what you want

Cmaj7

Cmaj7

D

Now I see you standing all alone, I never thought the world would turn to stone

[Ponte 1]

Em

So call me stupid, call me sad

G

You re the best I ve ever had

Cmaj7

You re the worst I ve ever had

Cmaj7

D

And that keeps fucking with my head

Em

Call me stupid, call me sad

G

You re the best I ve ever had

Cmaj7

You re the worst I ve ever had

Cmaj7 D
And that keeps fucking with my head

[Refrão 2]

Em G
I m eleven minutes away and I have missed you all day
Cmaj7 Cmaj7
I m eleven minutes away, so why aren t you here?
D Em G
You re eleven minutes away and I have missed you all day
Cmaj7 Cmaj7 D
You re eleven minutes away, so why aren t you here (why aren t you here?)

[Ponte 2]

Em
So call me stupid, call me sad
G
You re the best I ve ever had
Cmaj7
You re the worst I ve ever had
Cmaj7 D
And that keeps fucking with my head
