

Alone
Halsey

[Intro] **G Em G Em**

D

Said he tried to phone me
But I never have time

Em

He said that I never listen
But I don't even try

D

I got a new place in Cali
But I'm gone every night

Em

So I fill it with strangers
So they keep on the lights

G

She said she told you she knows me
But the face isn't right

Am

She asked if I recognized her
And I told her I might

G

See, everywhere I go
I got a million different people tryna kick it

Am

But I'm still alone in my mind

G

I know you're dying to meet me

Am

But I can just tell you this

G

Baby, as soon as you meet me

Am

You'll wish that you never did
(You'll wish that you never did)

D

I stayed a night out in Paris
Where they don't know my name

Em

And I got into some trouble
With that drink in my veins

D

I got a problem with parties
Cause it's loud in my brain

Em

And I can never say sorry
Cause I won't take the blame

G

I know I always go missing
And you're lying awake

Am

But if you ask why I'm distant
Oh, I'm running away

G

You know that everywhere I go
I got a million different people tryna kick it

Am

But I'm still alone in my mind

G

I know you're dying to meet me

Am

But I can just tell you this

G

Baby, as soon as you meet me

Am

You'll wish that you never did
(You'll wish that you never did)

G

I, I know you wanna
I, I know you wanna

Em

I, I know you wanna
Slip under my armor

G

I, I know you wanna
I, I know you wanna

Em

I, I know you wanna
Slip under my armor

G

See, everywhere I go
I got a million different people tryna hit it

Am

But I'm still alone in my mind

G

I know you're dying to meet me

Am

But I can just tell you this

G

Baby, as soon as you meet me

Am

You'll wish that you never did
(You'll wish that you never did)

Yeah

G

(I know you wanna)

(I, I know you wanna)

You ll wish that you never did

Em

(I know you wanna)

(Slip under my armor)

You ll wish that you never did
