

Castle
Halsey

Gm **D#**
Sick of all these people talking, sick of all this noise
Gm **D#**
Tired of all these cameras flashing, sick of being poised
Gm **D#**
And now my neck is open wide, begging for a fist around it
Gm **D#**
Already choking on my pride, so there s no use crying about it

Gm **D#**
I m headed straight for the castle, they wanna make me their queen
C **F**
And there s an old man sitting on the throne that s saying that I probably
shouldn t be so mean

Gm **D#**
I m headed straight for the castle, they ve got this kingdom locked up
G **F**
And there s an old man sitting on the throne that s saying I should probably
keep my pretty mouth shut

Gm **D#**
Oh, all of these minutes passing, sick of felling used
Gm **D#**
If you wanna break these walls down, you re gonna get bruised
Gm **D#**
And now my neck is open wide, begging for a fist around it
Gm **D#**
Already choking on my pride, so there s no use crying about it

Gm **D#**
I m headed straight for the castle, they wanna make me their queen
C **F**
And there s an old man sitting on the throne that s saying that I probably
shouldn t be so mean

Gm **D#**
I m headed straight for the castle, they ve got this kingdom locked up
C **F**
And there s an old man sitting on the throne that s saying I should probably
keep my pretty mouth shut

Gm
There s no use crying about it
D#
There s no use crying about it
C
There s no use crying about it
F
