

Drive
Halsey

Em **C**
My hands wrapped around a stick shift

G **D** **Em**
Swerving on the 405, I can never keep my eyes off this

C **G** **D**

Em **C**
My neck, the feeling of your soft lips

G **D** **Em**
Illuminated in the light, bouncing off the exit signs I missed

C **G** **D**

Em
All we do is drive

C **G**
All we do is think about the feelings that we hide

D **Em**
All we do is sit in silence waiting for a sign

C
Sick and full of pride

G **D**
All we do is drive

Em **C**
And California never felt like home to me

G **D**
And California never felt like home

Em **C**
And California never felt like home to me

G **D**
Until I had you on the open road and now we re singing

Em **C** **G** **D**
Haaaaaaaaaaaaaaaaaaaaaaaa Haaaaaaaaaaaaaaaaaaaaaaaa

Em **C** **G** **D**
Haaaaaaaaaaaaaaaaaaaaaaaa Haaaaaaaaaaaaaaaaaaaaaaaa

Em **C** **G** **D**
Em **C** **G** **D**

Em **C**
His laugh, echoes down the hallway

G **D**
Carved into my hollow chest, spreads over the emptiness

Em
It s bliss

C **G** **D**

Em **C**
It s so simple but we can t stay

G **D** **Em**
Over analyse again, would it really kill you if we kissed

C **G** **D**
