

Ghost
Halsey

Em **C** **G** **D**
I m searching for something that I can t reach.

Em
I don t like them innocent

C
I don t want no face fresh

G
Want them wearing leather

D
Begging, let me be your taste test.

Em
I like the sad eyes, bad guys

C
Mouth full of white lies

G
Kiss me in the corridor,

D
but quick to tell me goodbye.

Em **C** **G**
You say that you re no good for me

D **Em**
Cause I m always tugging at your sleeve

C **G**
And I swear I hate you when you leave

D
But I like it anyway.

Em
My ghost

C
Where d you go?

G **D**
I can t find you in the body sleeping next to me

Em
My ghost

C
Where d you go?

G **D**
What happened to the soul you used to be?

Em
You re a Rolling Stone boy

C
Never sleep alone boy

G
Got a million numbers

D

And they re filling up your phone, boy.

Em

I m off the deep end, sleeping

C

All night through the weekend.

G

Saying that I love him but

D

I know I m gonna leave him.

Em

C

G

You say that you re no good for me

D

Em

Cause I m always tugging at your sleeve

C

G

And I swear I hate you when you leave

D

But I like it anyway.

Em

My ghost

C

Where d you go?

G

D

I can t find you in the body sleeping next to me

Em

My ghost

C

Where d you go?

G

D

What happened to the soul you used to be?

Em

C

G

D

I m searching for something that I can t reach.

Em

My ghost

C

Where d you go?

G

D

I can t find you in the body sleeping next to me

Em

My ghost

C

Where d you go?

G

D

What happened to the soul you used to be?
