Am7
 It s crazy when, the thing you love the most is the detriment
          Am7 Cmaj7
 Let that sink in
                   Am7
                           Cmaj7
 You can think again, when the hand you wanna hold is a weapon and
              Am7
You re nothin but skin
Cmaj7 F
Oh cause I keep diggin myself down deeper
           Cmaj7
I won t stop til I get where you are
                  Am7
I keep running, I keep running, I keep running
     G
          Am
They say I may be making a mistake
                             Am C
I would ve followed all the way, no matter how far
            Am
I know when you go down all your darkest roads
I would ve followed all the way to the graveyard
               G
Oh cause I keep diggin myself down deeper
 Αm
I won t stop til I get where you are
```

```
F
I keep running when both my feet hurt
I won t stop til I get where you are
    G
                   Am
Oh, when you go down all your darkest roads
I would ve followed all the way to the graveyard (no oh)
                       Am7
                                          Cmaj7
 You look at me, with eyes so dark, don t know how you even see
                           Am7
                                              Cmaj7
 You push right through me (push right through me)
                        Am7
                                             Cmaj7
 It s gettin real, you lock the door, you re drunk at the steering wheel
                     Am7
 And I can t conceal
Cmaj7
Oh cause I been diggin myself down deeper
                    Cmaj7
 Am7
I won t stop til I get where you are
I keep running, I keep running, I keep running
    F
                 Am
They say I may be making a mistake
I would ve followed all the way, no matter how far
         G
                  Am
I know when you go down all your darkest roads
I would ve followed all the way to the graveyard
Oh cause I keep diggin myself down deeper
I won t stop til I get where you are
I keep running when both my feet hurt
I won t stop til I get where you are
           G
                   Αm
Oh, when you go down all your darkest roads
I would ve followed all the way to the graveyard (oh)
 It s funny how
                     Cmaj7
The warning signs can feel like they re butterflies
