

Hold Me Down
Halsey

Am **G** **F** **G**
My demons are begging me to open up my mouth
Am **G** **F** **G**
I need them mechanically make the words come out
Am **G** **F** **G**
They fight me, vigorous and angry, watch them pounce
Am **G** **F** **G**
They light me licking up the flames they bring about

Am **G**
I sold my soul to a three-piece
F **G** **Am**
And he told me I was holy
G
He s got me down on my knees
F **G**
But it s the devil that s tryna

Am **G**
Hold me down, hold me down
F
Sneaking out the back door,
G
Make no sound
Am **G**
Knock me out, knock me out
F **G**
Saying that I want more, this is what I live for

Am **G**
Hold me down, hold me down
F **G**
Throw me in the deep end, watch me drown
Am **G**
Knock me out, knock me out
F **G**
Saying that I want more, this is what I live for

Am **G** **F** **G**
I m selfish, taking what I want and call it mine
Am **G** **F** **G**
I m helpless, clinging to a little bit of spine
Am **G** **F** **G**
They rush me, telling me I m running out of time
Am **G** **F** **G**
They shush me, walking me across a fragile line

Am **G**
I sold my soul to a three-piece
F **G** **Am**
And he told me I was holy
G
He s got me down on my knees
F **G**
But it s the devil that s tryna

Am **G**
Hold me down, hold me down
F
Sneaking out the back door,
G
Make no sound
Am **G**
Knock me out, knock me out
F **G**
Saying that I want more, this is what I live for

Am **G**
Hold me down, hold me down
F **G**
Throw me in the deep end, watch me drown
Am **G**
Knock me out, knock me out
F **G**
Saying that I want more, this is what I live for

Am G **F** **G**
Hold me down now
Am **G**
Hold me down now
F **G**
Hold me down now
