

Hurricane
Halsey

Em **Cmaj7**
There s a place way down in Bed Stuy,
G **D**
Where a boy lives behind bricks,
Em **Cmaj7**
He s got an eye for girls of eighteen,
G **D**
And he turns them out like tricks

Em **Cmaj7**
I went down to a place in Bed Stuy
G **D**
A little liquor on my lips
Em **Cmaj7**
I let him climb inside my body
G **D**
And held him captive in my kiss

Em **Cmaj7**
And there s a storm you re starting now
G **D**
And there s a storm you re starting now
Em **Cmaj7**
And there s a storm you re starting

Em
I m a wanderess
Cmaj7
I m a one night stand
G
Don t belong to no city
D
Don t belong to no man
Em **Cmaj7** **G** **D**
I m the violence in the pouring rain

Em
I m a hurricane
Cmaj7 **G** **D**
Ha ah ah ha ah ah ah

Ha ah ah ha ah ah ah
