

Is There Somewhere
Halsey

Em C G
You were dancing in your tube socks in our hotel room,
Em C G
Flashing those eyes like highway signs.
Em C G
Light one up and hand it over, rest your head upon my shoulder.
Em C G
I just wanna feel your lips against my skin.

Em C G
White sheets, bright lights, crooked teeth, and the night life.
Em C G
You told me this is right where it begins.
Em C G
But your lips hang heavy underneath me.
Em C G
And I promised myself I wouldn't let you complete me.

Em C G
I'm trying not to let it show, that I don't want to let this go.
Em C G
Is there somewhere you can meet me?
Em C G
Cause I clutched your arms like stairway railings.
Em C G
And you clutched my brain and eased my ailing.

Em C G
You're writing lines about me; romantic poetry.
Em C G
Your girl's got red in her cheeks, cause we're something she can't see.
Em C G
And I try to refrain but you're stuck in my brain.
Em C G
And all I do is cry and complain because seconds not the same.

(Em C G)(4x)

Em C G
I'm sorry but I fell in love tonight.
Em C G
I didn't mean to fall in love tonight.
Em C G
You're looking like you fell in love tonight.
Em C
Could we pretend that we're in love?

Em C G
I m sorry but I fell in love tonight.

Em C G
I didn t mean to fall in love tonight.

Em C G
You re looking like you fell in love tonight.

Em C
Could we pretend that we re in love?
