

**Killing boys**  
**Halsey**

[Intro]

You re killing people  
No, I m killing boys  
Boys are just placeholders, they come and they go  
You re my?best?friend, and I?wanna help you  
But I won t let?you kill again  
That s a lose-lose

**C#m**

Told me pick my battles and be pickin em wise

But I wanna pick em all and I don t wanna decide

**A** **F#m**

No more, no more, anymore

**C#m**

So we ll sneak in in the back and then we ll kick in the door

Tell me, have you ever keyed a Ferrari before?

**A** **F#m**

Oh no, oh I don t anymore

**C#m**

And I m not breakin , I won t take it

**A**

And I won t ever feel this way again

**F#m**

Cause you don t need me anymore, woah

**C#m**

And I won t ever try again

**A**

And all I want in return is revenge

**F#m**

Cause I don t need you anymore, woah

So where do you go?

**C#m**

Pull up to the drive and I remember the codes

Yeah, the only fuckin numbers you don t hide in your phone

**A** **F#m**

No more, no more, anymore

**C#m**

Climb up to the window and I m breakin the glass

Then I stop, cause I don t wanna Uma Thurman your ass

**A**

**F#m**

No more, no more, anymore

**C#m**

And I m not breakin , I won t take it

**A**

And I won t ever feel this way again

**F#m**

Cause you don t need me anymore, woah

**C#m**

And I won t ever try again

**A**

And all I want in return is revenge

**F#m**

Cause I don t need you anymore, woah

**C#m**

So where do you go?

**C#m**

Woah, woah, woah, oh, oh

**A**

When I don t need you anymore

Woah, woah, woah, oh, oh

**F#m**

When I don t need you
