Dm **Dm**
Well, I m perfection when it comes to first impressions

Dm
And by now, I don t need a fuckin introduction
Am
I been gone cause I been on this road too long

Dm
You know I get too caught up in a moment
F
I can t call it love if I show it
C
I just fuck things up if you noticed
Bb
Have you noticed? Tell me, have you noticed?
Dm
I get too caught up in a moment
F
I can t fall in love if I show it
C
I just fuck things up if you noticed
Bb **Dm**
Have you noticed? Tell me, have you noticed?
