

More
Halsey

They told me once, nothing grows
When a house ain't a home
Is it true, honestly
When it's all a part of me
A couple years of waiting rooms
Finding God, and losing too
Wanna scream, but what's the use?

E G#m
Lying awake, and I stare at the door
B E
I just can't take it no more
E G#m
They told me it's useless, there's no hope in store
B E
But somehow I just want you more

E G#m
I want you more
B E
Somehow, I just want you more
E G#m
I want you more
B E
Somehow, I just want you more

E
Wooden floors and little feet
G#m
A flower bud in concrete
B
Feelin' so incomplete
E
Wonder will we ever meet?
E
And would you know it right away
G#m
How hard I try to see your face?
B E
A little screen, a photograph, mine to take

E G#m

I sit and I stare at your clothes in the drawer
B E
I cry and my knuckles get sore
E G#m
Cause I still believe it won't be like before
B E
And now somehow I just want you more

E G#m
I want you more
B E
Somehow, I just want you more
E G#m
I want you more
B E
Somehow, I just want you more

E G#m
And when you decide it's your time to arrive
B E
I've loved you for all of my life
E G#m
And nothing could stop me from giving a try
B E
I've loved you for all of my life

E G#m
Loved you more
B E
Somehow, I still love you more
E G#m
Love you more
B E
Somehow, I still love you more

E G#m
(Loved you more)
B E
(Somehow, I still love you more)
E G#m
(Love you more)
B E
(Somehow, I still love you more)
