HammerFall

Always Will Be Tune  $\hat{A}^{1/2}$  step down

[Intro]

Dm C Am  
Dm F C x2

Dm C Am  
Our sun is set, our day is done, I'm left here wondering  
Dm F C  
Is this the end, my final words to you  
Dm C Am  
Day turned to night and now you're gone, I'm left here pondering  
Dm F C  
Can this be true, are we really through

Am Em F C  
You were the wind beneath my wings, taught me how to fly  
Am Em C D  
With you I lived among the kings, how could this ever die

F Am F (Am) G  
So I say farewell, I'm yours forever,  
Dm F G Am  
and I Always Will Be

Dm C Am  
We were one, we were all, we were the only  
Dm F C  
Future full of hope, nothing could stand in our way  
Dm C Am  
But dreams can change, visions fall, I feel so lonely  
Dm F C  
I would walk through fire for just one more day  
Am Em F C  
You were the angel of my life, taught me to be free  
Am Em C D  
Now I'm a stranger in your eyes, walls are closing in on me

F Am F (Am) G  
So I say farewell, I'm yours forever,  
Dm F G Am  
and I Always Will Be

F Am F (Am) G  
Missing you, in my heart you are The One  
Dm F G Am  
And you Always Will Be

**Em7**            **D**                    **Hm**            **Em**  
When I turn to the east, I see no dawn,  
**G**            **D**                                    **Hm**  
but after darkness comes the light  
**Em7**                    **D**                    **Hm**                    **Em**  
And when I turn to the west, the silent night hides all  
**F**                    **C**                                    **G**  
Where is the light that shines so bright

**F**    **Am**                    **F**    (**Am**)        **G**  
So I say farewell, I'm yours forever,  
**Dm**    **F G**                    **Am**  
and I Always Will Be

**F**            **Am**                                    **F**    (**Am**)        **G**  
Missing you, in my heart you are The One  
**Dm**            **F G**                                    **Am**  
And you Always Will Be

**F# Bbm F# G# D#m F# G# Bbm**  
Nah-nah-na .... and you Always Will Be  
**F# Bbm F# G# D#m F# G# Bbm**  
Nah-nah-na .... and you Always Will Be  
**D#m F# G# Bbm**  
And you Always Will Be  
**D#m**  
my Little One you are  
**F# G# C#**  
And you Always Will Be
