ver 1 :

Em **C**
I saw your face in the morning sun
Am **H7**
Oh, I thought you were there
Em **C**
I heard your voice as the wind passed me by
Am **H7**
Silently, whispering my name

ver 2:

So many things that I wanted to say #
Forever left untold #
I still remember the tears that you shed # same chords like ver 1
Over someone else #

C
Our love could never die
Em
All I can do is cry
C **D**
Save a little prayer for the fallen one

intro theme:

Em, Hm, A, G

ver 3:

There is a light down at memory lane #
Slowly fading away #
Still holding on to the dreams torn apart # same chords like ver 1

I will follow my heart #

C
Our love could never die

Em
All I can do is cry

C **D** **E5 E5 E5**
Save a little prayer for the fallen one

REF:

C5 **E5**
Still on my own, chasing the sun

E5 **E5**
Of a time long ago

D5
The shade in my heart, tearing apart

H7 **C5** **D5**
Everything that I long for

solo:

C, Em, C, H7
Em, C, Em, D

intro theme:

Em, Hm, A, G

ver 4:

I saw your face in the morning sun #
Oh, I thought you were there #
I heard your voice as the wind passed me by # same chords like ver 1
Whispering my name #

C
Our love could never die
Em
All I can do is cry
C **D**
Save a little prayer for the fallen one
