Hands Like Houses

Standard Tuning

You can use a capo depending on which key you prefer to play/sing in.

I prefer CAPO 2. Its NOT the same key as the song but its very easily adjusted.

Here is the song played on youtube for reference ----->

Am **F**
There s no more wind to be found

Em
In the sails

Am
Hands full of falling stars

F **Em**
And comet tails

Am
Rivers of sand

F **Em**
All entwined through my hands

Am
To know what they ve seen

F **Em**
Well my burden s all pale

Am **F** **Em**
I ll make an hourglass from my fingers

Am **F** **Em**
I know I m only passing through

Am **F**
I don t want to pretend

Em **Am**
That I m stronger for it all

F
I don t want to pretend

Em **Am**
That the sadness is gone

F **Em**
Am
Cause I want to know that I m steady on my feet

F
I don t want to pretend

Em **Am**

So pace will be real to me

~

(End on **Am**)

Then you just repeat that, its the same thing throughout the rest of the song!

Enjoy :)
