

Oh Jk Rowling
Hank Green

First full song chord sheet I ve ever done, I m pretty sure I ve corrected all the little mistakes I made while writing this, but let me know if you find something weird.

[capo 5]

C **Am**
Oh JK Rowling

F **G**
What do you do with your time?

C **Am**
Well you re givin all your money to charity,

F **G**
And I guess that sounds just fine

C **Am**
But I m wondering if ya got just a couple more jots

C **Am**
Maybe I dunno you could crack a laptop

C **Am** **F** **C**
Oh do it as a favor to me,do it for the kids, or do it for charity

F **G**
Yeah do it for the HPA

C **F** **C**
I don t really care, just do it today

C **G** **C**
I know that the idea probably stresses you out

F **G** **C** **Am**
I know that I would feel that way after making something so damn great,

C **G** **C**
For me it would be an inescapable cloud of doubt

F **G** **C** **Am**

But don't let that fear get to you this is clearly something you can do

F **G** **C** **Am**
The pressure from people like me, does it get a little old, yeah probably

F **G** **C** **Am**
But hopefully you understand why I pry,

C **G** **C**
so pick up your pen, Jo do it, just give it a try

C **Am**

C **G** **C**
I m giving you absolute creative freedom

F **G** **C** **Am**
Maybe you could write up a screenplay or prequel musical for Broadway

C **G** **C**
Or collaborate on a comic with Joss Whedon

F **G** **C** **Am**
Or a mini series for the BBC, even that sounds good to me

F **G** **C** **Am**
I suggest you avoid cartoons or giving fox a chance to cancel you

F **G** **C** **Am**
And after considering this one pretty carefully,

C **G** **C**

please donâ€™t make an MMORPG

C **G** **C**
Cuz that would totally destroy my pro-duc-tiv-it-y

C **Am**
Oh JK Rowling
