The Things We Used To Do
Hank Williams III

```
F#                              C#
Well you never took my heart when I tried hard to give it to you
                        F#
And I know you canâ€™t be true cause you just wanna be roamin free
                        B
Now I see you with another and Iâ€™m mad as I can be
        C#                    F#
So I sit right here and have just one more damn misery.

F#                              C#
Well Iâ€™m fallin drunk again I guess she must have got to me
                        F#
I donâ€™t usually let a woman get an upper hand on me
                          B
Now Iâ€™m lost and now Iâ€™m broke and I ainâ€™t got nothin to lose
C#                            F#
But I still sit here and thing about The Things We Used to do.

F#  C#  F#  B  C#  F#

F#                                 C#
Now Iâ€™m driftin through another town just as lon-ely as I can be
                              F#
I canâ€™t believe I let that woman get an upper hand on me
                                        B
Cause now Iâ€™m lost and now Iâ€™m broke and I ainâ€™t got nothin to lose
C#                            F#
But I still sit here and thing about The Things We Used to do.
