Tuning: Standard

**E**  
Well you never took my heart,  
**B**  
When I tried hard to give it to you.  
**B**  
And I know you can't be true,  
**E**  
Cause you just wanna be roamin' free.  
**E**  
Now I'm lookin' straight at you,  
**D**  
An' see you with another man.  
**B**  
So I'll take the shot of whiskey,  
**E**  
So I'll don't have no regrets.  
**E**  
Well, I've fallen drunk again:  
**B**  
I'll guess she must have got to me.  
**B**  
I'll don't usually let a woman,  
**E**  
Get an upper hand on me.  
**E**  
Now I'm lost an' now I'm broke,  
**D**  
An' now I ain't got nothin' to lose.  
**B**  
But I'll still sit here an' think about,  
**E**  
The things we used to do.

Instrumental Break: **E, B, E, D, B, E**

**E**

Walkin' through the crowded streets,

**B**

I don't see no-one caring for me.

**B**

That's all right, I don't need anyone,

**E**

Except myself, you see.

**E**

Now I'm stronger and I'm smarter,

**D**

And I'm not like I used to be.

**B**

But I still sit here and think about,

**E**

The things you did to me.

**B**

Yeah, I still sit here and think about,

**E**

The things you did to me.

**B, E**
