Footlights By Hank Williams Jr

**D** **G** **D**  
I live the kind of life that most men only dream of  
**D** **G** **D**  
I make my livin writin these songs and singin them  
**D** **G** **D**  
Now I m 31 years old and I ain t got no place to go when it s all over  
**D** **A**  
But I hide my aches and make the stage and try to kick the footlights out again

I throw my old guitar across the stage and Lamar takes the ball  
And the crowd goes nearly wild to see old Nadine nearly fall  
After 20 years of pickin , I m alive and I m kickin down some walls  
But tonight I ll kick the footlights out and walk away without no curtain call

tabchorus

**G**  
Yeah, tonight I ll kick the footlights out again **A** And try to hide the  
**A**  
mood that I m really in Might not put on my old instamatic grin Aw,  
**D**  
tonight I m gonna kick some footlights out again

Yeah, I live the kind of life most men only dream of  
I make my livin writin songs, and singin them  
Now I m 31 years old and I ain t got no place to go when it s all over  
So I hide my aches, and make the stage and try to kick all the footlights out  
again
