Old School - Hank Williams

D G D
I remember a young Johnny Cash waiting in the wings
D G D A
Cuz he d hand me his cigarette when he d go out to sing

G A D G
And the good old Marshall Tucker Band back in 83
G A
Was a special night, they asked me come on out and play Can t You See
D G D
Darlene was a teenage girl when I first met her, wow
D G D A
Jerry Lee played rock n roll at my house and I m proud

Chorus:

D G
I m from the old school but I made up my own rules
A D
But I learned a thing or two from some pretty good teachers
D G Em
My education has served me well, one look at me and you could tell my musics
true

A D
The class reunion from the blues, I m from the old school

Repeat chords

Well things were kinda rough at times, I had to find my way
Not exactly an overnight sensation like some are today
Hey I m a dinosaur, that s for sure but here s what I gotta say
To anyone who questions my credentials, Hi, I m Hank

Chorus 2:

And I m from the old school but I made up some new rules
And you might learn a thing or two if you hang around
I ll teach you to write and play and sing em, take these guitars out and string

em, it will make your music true
Class reunion of The Blues, I m from the old school

And after all the songs I sing, let s stop and have a drink from my old bar
stool

Hey everybody, here s to the old school
