

Once And For All
Hank Williams Jr.

D G
Time is catchin up with me cause I been on the road
D A
And the keys to the city are all I ve got to show
D G
Though it s easy to take home the belle of the ball
A D A D
I m getting tired of it all, and I m gonna love you once and for all
D G
Cause you re the one that helped me find myself
C D
And I m gonna love you and nobody else
D G
You pick me up everytime I fall
A D
And if you ever need me just gimme a call
A D
Cause I m gonna love you once and for all

D G
Now I look forward to rainy days
D A
So I can learn more of your lovin ways
D G A
And when I m home and you re the star on the stage
A D A D
And until that final curtain calls, I m gonna love you once and for all
D G
Cause you e the one that stuck it out
C D
And you know that s what love s all about
D G
I could have a woman everytime I call
A D
But I d rather see you walkin down the hall
A D
And I m gonna love you once and for all

A D
And if you ever need me just give me a call
A D
Cause I m gonna love you once and for all
A D
And I d rather see you walkin down the hall
