

The Pressure Is On
Hank Williams Jr.

G

I got someone at home

F D

Don t know what s going on

A C

Thinks I love her and her alone

G D

And the pressure is on

Chord progression same for rest of song

I got a new love you see

She does new things to me

We sneak our love you s on the phone

And the pressure is on

And it puts pressure on a man

If he ever lets his heart call his hand

He ain t no rolling stone

But the pressure is on

Feel like your ten thousand feet

Down under the sea

And its crushing all your bones

And the pressure is on

The trains I ride in my dreams

Run on the pressure of the steam

Lord I could pull one a mile long

Cause the pressure is on

Lord I could pull one a mile long

Cause the pressure is on,

The pressure is on

The pressure at home
