G

And the pressure is on

Chord progression same for rest of song

I got a new love you see
She does new things to me
We sneak our love you s on the phone
And the pressure is on

And it puts pressure on a man

If he ever lets his heart call his hand

He ain t no rolling stone

But the pressure is on

Feel like your ten thousand feet Down under the sea And its crushing all your bones And the pressure is on

The trains I ride in my dreams
Run on the pressure of the steam
Lord I could pull one a mile long
Cause the pressure is on

Lord I could pull one a mile long Cause the pressure is on, The pressure is on The pressure at home
