Am G Am  
There s no man alive that s what I need  
G Em  
So give me a man that I can breathe  
Am G Am  
There s no man alive that has what I want  
G Em  
So give me a man that I can haunt  
Am G Am  
Give me a static-free cellular line  
G Em  
So I can call him all of the time  
Am G Am  
Give me a shimmering astral cord  
G Em  
So I can be there when he s with his whore

F Am  
I feel it come again  
F Am  
The feeling that I love  
F Am  
And that I know will end

(And when the ride comes to an end, just get up, dust off, and do it again)

F Am  
I feel it come again  
F Am  
The feeling that I love  
F Am  
And that I know will end

Am G Am  
There s no man alive that I can t deceive  
G Em  
So give me a man who s crueller than me  
Am G Am  
There s no man alive that I can t destroy  
G Em  
So give me a man who ll be first to deploy  
Am G Am  
Give me a static-free cellular line  
G Em  
So I can connect to him all of the time

**Am**                      **G**            **Am**  
Give me a sparkling astral cord  
                                 **G**                      **Em**  
So I can be there when he is no more
