E
No, I never had the nerve to tell you,
B **A**
So I m saying it now
E
Every time you walk away,
B **A**
I am kicking myself
G
And I know you don t know what you do,
B **A**
What you do to me, but it hurts like hell
G
And I know you don t know what you do,
B **A** **G**
What you do to me, but it hurts like hell
A
I just hope that someday,
D
Somebody s gonna break your heart
G **B**
Gonna break your heart
A **D**
And then you ll finally see, yeah you re gonna feel
G **B**
What I always would have felt, would have felt
E
And you can just go on and say it,
B **A**
I need to hear it, it d be better for me
E **B**
At least I know what s stopping you and I d hear the truth
A
And I would believe
G **B** **A**
Yeah then you d see the light and finally come to my side

G **B** **A** **G**
Yeah you d see the light and finally come to my side

A
I just hope that someday,
D
Somebody s gonna break your heart
G **B**
Gonna break your heart

A **D**
And then you ll finally see, yeah you re gonna feel
G **B**
What I always would have felt, would have felt
D **G**
And they ll tell you it s not you but they don t wanna ruin
B **G**
What they know, what they know so well
D **G**
I just hope that you you re gonna finally feel
B **G**
What I ve always, what I ve always felt

E **B** **A**
E **B** **A** **G**

I just hope that someday,
G **B**
Somebody s gonna break your heart, gonna break your heart
