

All Mixed Up

Hannah Montana

hey, i heard this song on youtube and loved it so i have tabbed it out. Only done this really quickly so hope it is ok! It is the same chords throughtout the song excluding the bridge. Feel free to make any adjustments :P x

Into

G D C D

La La La
La de da de da
La La La

G D C D
How come everything turns out

G D C D
Leaving me with more doubts

G D C D G D
I feel like im upside down

C D
And i dont wanna be here

G D C D
I go right, shoulda gone left

G D C D
And i say things i should of not said

G D C D G D
Look at me in this big mess

C D
I dont wanna be here

G D C
Everything i do

D G D C D
Is making me more confused

G D
Oh it used to be easy

C D
All i had to be was me

G D C D
Not mixed up

G D C
Everywhere i go

D G D C D
Somewhere that i dont know

G D
Oh im hoping that im dreaming

C D

Cus im sick of this feeling

G D

Im mixed up

C D

Somebody help me

(same chords throughout)

La La La

La de da

Tell me how to fix this

I d trade my world for one wish

To go back to my other life

Oh and get it right

Everything i do

Is making me more confused

Oh it used to be easy

All i had to be was me

Not mixed up

Everywhere i go

Somewhere that i dont know

Oh im hoping that im dreaming

Cus im sick of this feeling

Im mixed up

Somebody help me

To hold me, To tell me

Everything is gonna be okay

Cus today it feels like

I wont make it to the top now

Dont know how to get outta this

So mixed up

Somebody help me

La La La

Everything i do

Is making me more confused

Oh it used to be easy

All i had to be was me

Not mixed up

Everywhere i go

Somewhere that i dont know

Oh im hoping that im dreaming

Cus im sick of this feeling

Im mixed up

Somebody help me
