

I'll Always Remember You
Hannah Montana

SONG: I'll Always Remember You
ARTIST: Hannah Montana
from hannah montana forever

Enjoy =)

G#
I always knew this day would come
Cm
Weâ€™d be standing one by one
A#m
With our future in our hands
C#
So many dreams so many plans

G#
Always knew after all these years
Cm
Thereâ€™d be laughter thereâ€™d be tears
A#m
But never thought that Iâ€™d walk away
C#
with so much joy but so much pain
C#m
And itâ€™s so hard to say goodbye

((Chorus))

G# **Fm**
But yesterdays gone we gotta keep moving on
C# **D#**
Iâ€™m so thankful for the moments so glad I got to know ya
G# **Fm**
The times that we had Iâ€™ll keep like a photograph
C#
And hold you in my heart forever
C#m **G#**
Iâ€™ll always remember you

Nanananaaa **G# - Fm - D# - C#**

G# **Cm**
Another chapter in the book cant go back but you can look
A#m
And there we are on every page

C#

Memories Iâ€™ll always save

G#

Up ahead on the open doors

Cm

Who knows what were heading towards?

A#m

I wish you love I wish you luck

C#

For you the world just opens up

C#m

But itâ€™s so hard to say goodbye

((Chorus))

G#

Fm

But yesterdays gone we gotta keep moving on

C#

D#

Iâ€™m so thankful for the moments so glad I got to know ya

G#

Fm

The times that we had Iâ€™ll keep like a photograph

C#

And hold you in my heart forever

C#m

G#

Iâ€™ll always remember you

((BRIDGE))

Fm

Cm

Everyday that we had all the good all the bad

G#

Iâ€™ll keep them here inside

Fm

Cm

All the times we shared every place everywhere

G#

You touched my life

Fm

Cm

Yeah one day weâ€™ll look back weâ€™ll smile and we ll laugh

G#

But right now we just cry

D#

G#

Cause its so hard to say goodbye

((Chorus))

G#

Fm

But yesterdays gone we gotta keep moving on

C#

D#

Iâ€™m so thankful for the moments so glad I got to know yaaa

G# **Fm**
The times that we had Ill keep like a photograph
C#
And hold you in my heart forever

C#m **G#**
Iâ€™ll always remember you Nanananaaa **G# - Fm - D# - C#**

C#m **G#**
Ill always remember you Nanananaaa **G# - Fm - D# - C#**
